POOF!

NEVER LEAVE YOUR CAR RUNNING UNATTENDED

Warning

Warm up *with* your car instead of leaving it running.

Your car can disappear in the blink of an eye. Never leave it running unattended, even for a minute. A stolen car can cost you up to \$6,000 in lost time, depreciation and more, not to mention that leaving a car running unattended is against the law. Plus, a stolen car is often the gateway to other, more dangerous crimes. This winter, warm up with your car.

Coloradans Against Auto Theft is a coalition of law enforcement agencies, insurance partners, LoJack and AAA Colorado. CAAT and the state auto theft task force efforts are funded in part by the Colorado Auto Theft Prevention Authority (CATPA).
