KEEPING YOUR CAR SAFE

-  Lock your car every time.
-  Never leave your car running unattended.
-  Ask your local law enforcement for prevention devices such as a steering wheel club, based on availability.

Colorado has one of the highest auto theft increases in the nation, with an average of 375 vehicles stolen every month. Vehicles like yours are favorites for thieves and they are using them to commit other crimes in your neighborhood.

Help Colorado law enforcement fight car theft. Lock it or lose it. Visit lockdownyourcar.org to learn more.
